#### New Director of Golf Now at VGCC

Vulcan Golf & Country Club is pleased to announce the addition of Scott Hatchard as our new Director of Golf, PGA Professional and Food & Beverage Manager. Scott comes to us from the East Coast of Canada and brings a wealth of experience in many areas of golf club operations.

Scott and his wife Christine, who has also worked extensively in the golf industry, are hoping to bring a fresh, inviting and innovative approach to customer service for VGCC and look forward to meeting and working with you all in 2022 and beyond. Feel free to pop by the club anytime to chat a little golf and catch up on what's new at VGCC.

Our Pro Shop will be fully stocked with many of the familiar name brands in the industry and although there may be a few supply chain issues we expect our shop to be very well stocked very soon.

We expect many welcomed additions in the upcoming days including some enhancements to our Player Development programs with the implementation of several new teaching/coaching programs, the addition of the COBRA Custom Club Fitting System and the new arrival of a Flightscope launch Monitor system to assist with game analysis, club fitting and teaching programs.

We will have a full profile of Scott and a description of the full range of golf services etc... posted on our website very soon.

#### OUR!!!! Dining Room

The Board of Directors, Management and staff are very excited to announce the opening of the VGCC Grill this coming golf season and beyond. Scott has been extremely busy putting together his team, a delicious menu, some cool offerings and lots of enthusiasm for members and guests and occasion aliens to enjoy.

Our menu will be designed with many fresh offerings, made in-house and inspired by the season. We will aspire to provide a friendly & relaxed atmosphere, operate with efficient functionality, and present a casual yet tasteful decor that provides a quality of professional service and product that reflects the overall concept of VGCC while contributing to the experience of the club's members and guests.

We have or are making some much needed customer service enhancements as well with additional POS stations, table and patio service, improved check in and sales practices and a fresh, inviting and efficient approach to service.
