The Course

We are located one hour south of Calgary and one hour north of Lethbridge, easy access from both cities. Our 18-hole par 70 semi-private golf course has been the host of many small and large tournaments over the years. We pride ourselves on providing a full tournament package in the country. Our front nine, completed in 1956 is a mature well treed layout whereas the back nine built in 2007 offers more of a links style layout with large undulating greens that are protected with sand and water hazards.

Our 18-hole course has 3 different tees playing between 5,252 to 6,306 yardages providing a relaxing enjoyable outing for all levels of golfers.

Practice Facilities

The Vulcan Golf and Country Club has **three** practice area's that will help sharpen your game. The practice putting green is located next to the clubhouse behind the first tee. Adjacent to our maintenance shop we have a 100-yard hole with a make shift green with a practice sand trap. Our driving range is located by the 10th tee. You have your choice of 5 driving range mats or take advantage of our large grass tee box area.
